CAREER OBJECTIVE

Senior college student seeking full time positions in the field of Computer Science and Information Technology to expand my knowledge in programming software and languages and to build on my personal skills, establish relationships within the academic community and fellow students, and work in a dynamic cutting-edge environment that challenges my skills.

EDUCATION

New Jersey Institute of Technology, Newark NJ

Anticipated Graduation: May 2020

Bachelor of Science in Computer Science, Minor in Business

GPA: 3.05

- Dean's List (Spring 2017, Fall 2017, Spring 2018, Spring 2019)
- Coursework: Intro to Programming, Intro to Computer Science I: C++, Intro to Computer Science II: Data Structures, Computer Architecture & Organization, Programming Language Concepts, Principles of Operating Systems, Intensive Programming in Linux, Introduction to Computer Networks, Discrete Mathematics I, Discrete Mathematics 2, Design in Software Engineering, Probability and Statistics, Linear Algebra, Project Management

TECHNICAL SKILLS

Software: MS Office Suite, Visual Studio, Eclipse, PyCharm, MATLAB, Minitab, PhpStorm

Languages: English (Fluent), Gujarati (Conversational), Hindi (Conversational), Spanish (Basic)

Programming Languages: C++, Python, C, x86 Assembly, HTML5, CSS3, JavaScript, PHP, SQL, Bash

Operating Systems: Windows 7/8/10, MacOS, Android, iOS, Linux

PERSONAL SKILLS

- Ability to work diligently under pressure while meeting all deadlines and exceeding expectations.
- Ability to work individually and in a team.
- Strong logical and computational skills with excellent abilities to engage ideas and suggestions.
- Superior leadership skills.
- Able to critically think and adapt to unforeseen situations outside the scope of the project.

WORK EXPERIENCE

TownePlace Suites by Marriott Cranbury-South Brunswick

May 2019 - Current

Guest Services Agent

- Maintained records and confidential information of all 116 rooms using Marriott's FOSSE property manage system.
- Helped boost customer ratings to a 4.5/5 on TripAdvisor and maintained a staff service rating of a 90 or higher.
- Provided excellent customer service by surprising guests with occasional gifts.

Abercrombie & Fitch

May 2017 – December 2017

Sales Associate

- Recommended ideas to management improve sales within the store.
- Helped team members with unloading merchandise and handling cash registers.
- Provided outstanding customer service. While at the Edison store location, we met and exceeded the store's quota in sales and managed to maintain an 85% customer satisfaction rating.

PROJECTS

NASDAQ Top 100 Tracker

November 2018

- Created a database to store active stock information pulled from the NASDAQ stock market every minute for an hour using Bash and Python.
- Then used data values from database to generate a HTML webpage that sorts data by company name, price, and time of data pulled.
- Skills used: SQL, Bash, PHP, Python

EXTRACURRICULAR ACTIVITIES

ACM (Association for Computing Machinery), Member

September 2017 – Current
